

WAVE LIGHT I WITH DIMMER

Wave Light I provides all the desirable features of LED light without any of the drawbacks: Conventional LED task lights often create an inadequate field of illumination, glare, light pooling, high contrast illumination ratios and/or multiple shadows. Wave Light technology eliminates these shortcomings by providing a color temperature in the ideal range as well as a three stage dimmer for adjusting illumination to the desired level.

See Wave Light II for the same benefits of Wave Light I, plus an optional occupancy sensor and ambient light sensor.

Environmental Design Attributes

Wave Light I:

- Steel and aluminum components with powder coat
- Recycled content - 25%
- Recyclable after use - 99%

Cardboard Packaging:

- Recycled content - 75%
- Recyclable after use - 100%

Plastic Packaging:

- Low density polyethylene
- Recycled content - 30%
- Recyclable after use - 100%

Benefits

- Patented refractive lens technology provides the greatest and most consistent distribution of light
- Ergonomically easy to use, reduces glare and provides proper adjustments for users
- Improves productivity
- Reduces eye strains
- Improves worker comfort
- Environmentally friendly
- Technologically advanced high performance LEDs
- Helps earn LEED credits
- Increase space efficiencies with slim profile design
- No light pooling, no multiple or high contrast shadows
- Reduces energy consumption and increases energy savings
- Five Year Warranty

Technical Specs

- Peak light output of 80fc
- Area of illumination (80fc - 20fc), greater than 2' x 2' (60cm x 60cm)
- Color temperature 3800K
- Color Rendering Index (CRI) 71
- Luminous efficacy 47.5 Lm/W
- Life expectancy 50,000 hours
- Automatic dimming
- Electrical input at full strength 9.39 Watts
- Double extension counterbalanced arm
- Arm extension over 27" (71cm) from fully loaded
- Arm vertical stop
- 2-axis rotation of light head
- Light head can rotate to be parallel to any surface in all arm positions
- Multiple mounting options; Desktop, Clamp, Desk Base with Power Receptacles, Slatwall, Wall Mount, SpaceBeam, SpaceBeam 2 and DIRTT mounts
- Finish options: Platinum, White, Black
